

Letter of Assurance

This form must be completed on your company letterhead.

*I/We (name **and address** of person, firm or company) _____ certify that the items, goods or services, including renewals, and technical support, shown below have been ordered by *me/us from Barracuda Networks. Instructions for completing this form at: www.barracuda.com/tradecompliance; "LOA Instructions."

The goods to be supplied are from Barracuda Networks may include Barracuda E-Mail Security Products (Spam, E-Mail Security Services), Web Security (Web Filter, Web Security Service), Network Security Products (Firewalls, SSL-VPN), Web Application Security products, Integrated Virtualization platforms (Security Suite), Data Protection (Backup, Archiving products), File Sync and Sharing, Load and Link Balancing, Access Controls, and Network and Access Controls products, and are for the following purpose(s):

This should actually be what the product(s) is/are used for, eg. email security, IT infrastructure protection.

and are for delivery to the following consignee* or end user address(es) – Consignee/End User Street Address, City, State, and Country, if different than address on letterhead. Please use the **exact** addresses where products may be delivered (multiple addresses okay if they are in the same country.) **(NO PO BOXES)**

If the actual end user company name and /or address does not match that noted on the letterhead, or on the first line, then it must be entered here to differentiate.

Please select **one** of the following:

- ☐ 1. *I/We also certify that the goods above are for *my/our own use and will not be re-exported
or
☐ *I/We also certify that we intend to sell the goods above to bona fide customers in (name of countries _____) and they will not be re-exported.
or
☐ *I/We certify that the goods above are for supply direct to the [name of country _____] Government against Government Purchase Order/Contract Number [_____]."
2. Type of Business (Check applicable): Civilian ____ *Military ____ *Government ____
*If military or government, please describe the function of the government entity using the device

***Note: Military or Government End User shipments may require a US export license**

3. Signing this document confirms the following:

*I/We confirm that the goods above will not be used for purposes associated with chemical, biological or nuclear weapons or missiles capable of delivering such weapons, nor will *it/they be resold if *I/we know or suspect that *it/they are intended or likely to be used for such a purpose.

*I/We confirm that the items above will not be re-exported or otherwise re-sold or transferred to a destination subject to UN, EU or OSCE embargo where that act would be in breach of the terms of that embargo;

*I/We confirm that the items, above or any replica of them, will not be used in any nuclear explosive activity or unsafeguarded nuclear fuel cycle.

Products and technical information provided by Barracuda Networks are subject to the applicable export laws and regulations of the United States ("U.S."), as well as other countries where such products and technical information are located. Barracuda products may not be transferred to any of the U.S. embargoed countries including **Cuba, Iran, North Korea, Syria, or the Crimean Region**, to any party denied export privileges by the local government in which this transaction occurs, or by the U.S. government, unless applicable U.S. and local export authorizations (permits, licenses) have been obtained. Goods will not be re-exported or otherwise re-sold or transferred to a destination subject to UN, EU or OSCE embargo where that act would be in breach of the terms of that embargo.

These two need to match. John Smith signs, John Smith is printed. No match, no approval.
